### Rules for Affiliation of Shows

#### Date of Registration

The “Date of Registration” is defined as the date at which the relevant national registry declares that the horse has been accepted for registration. National Registries will be responsible for confirming the date of registration. Entries must either present the relevant registration certificate or enclose, with the entry form, a letter by the registrar confirming that registration will be completed before the first day of the show.

- **General Classes**

Classes of the following categories are recognized by EAHSC:

- foals (males and females, or combined; see also “Foal Classes” below),
- colts (junior males, 1-3 years old),
- fillies (junior females, 1-3 years old),
- stallions (senior males, 4 years+),
- mares (senior females, 4 years +),
- geldings (junior (1-3 years old) and senior (4 years+), or combined (1year+)).

The Show Organizers may arrange the age groups within these categories to best suit their entries and to avoid any imbalance in the size of the classes.

The maximum number of horses shown shall not exceed 100 per day.

No horse under 6 months of age may be shown without its Dam.

No pregnant mare will be shown more than 40 weeks after the last date of covering. It is recommended to bring a valid breeding certificate to the show. The Handler must produce a valid breeding certificate upon request of the DC. The DC or Judges may ask a veterinarian for rectal examination.

All open classes, with the exception of foals, are qualifiers for A and Title shows.

#### Foal Classes

In those shows where foal classes are held:

- a) Foals may not compete in EAHSC Championships, nor will they qualify for any future Title or A Show.
- b) When foal classes are organized at EAHSC affiliated shows, the EAHSC Rules will apply.
- c) Foals must have a minimum age of four weeks at the date of the show and must be shown at foot (with the dam) up to 6 months of age. Orphaned or rejected foals under six months cannot be shown.
- d) The use of metal halters and halters with metal chains is forbidden.
- e) A comparative judging system is recommended.
- f) All the rules pertaining to foal classes must be clearly indicated in the schedule and the catalogue.
- g) With regards to stricter rules for the welfare of foals, organisers may introduce their own rules as long as these are presented to ECAHO for approval prior to sending out the schedule and are clearly stated in the show schedule and catalogue.

#### Foals - for identification purposes:

Foals under six months shown in foal classes with their own mother need no special documentation, but the mother must have all necessary documents.

Foals over six months shown without their dam, foals from Embryo Transplant or foals with foster mothers which are shown in foal classes and do not yet have a passport, must be micro-chipped and in possession of a copy of the official Stud Book Registration form, showing the micro-chip number and the graphic description of the foal.

#### Championship Titles

There will be three prize winners in each category - Junior Males, Junior Females, Senior Males, Senior Females and Geldings (junior and senior or combined):

*Champion Gold Medal, Silver Medal, Bronze Medal.*

**European Arab Horse Show Commission**  
**Blue Book 2023**  
**Rules for Affiliation of Shows**

If there are sufficient yearling entries and the Show Organizer wishes to hold separate Yearling male and/or Yearling female Championships, there will be three prize winners in each of these categories. The Rules for Championships must be clearly explained in the Schedule and the Show catalogue.

If a category is represented by only one class, the ranking in that class may be used as a Championship ranking for that category.

If a category is represented by more than one class, these are considered qualifying classes for the respective championship of that category. If the top 5 system is not used, then at the discretion of the organizer, the top 2 or the top 3 of each class qualifies for the championship. This choice may vary per category, but it must be stated clearly in the schedule and the catalogue.

**Top Five System**

This system is optional for any show, provided there are a sufficient number of horses present:

The top 50 % of each class minus one, but not more than 5 horses, qualify.

e.g.:    5-6 starters →                    places 1 - 2 qualify  
          7-8 starters →                    places 1 - 3 qualify  
          9-10 starters →                    places 1 - 4 qualify  
          11 and more starters →            places 1 - 5 qualify

All qualified horses of a category - Yearling Males, Yearling Females (where appropriate), Junior Males, Junior Females, Senior Males, Senior Females or Geldings - come into the ring. All first placed horses stand in the front row, all second placed horses in the second row, all other horses (places 3.-5.) in the third row.

The judges select their Champion Gold medal, Silver and Bronze medal winners according to the rules for Championships. The judges will then select two more from all the remaining horses which together with the three medal winners form the Top Five.

- Overqualified horses or handlers taking part in a class will be disqualified and liable to pay a fine of €300.
- National organizations can use and/or add their own rules and restrictions as appropriate.

**Affiliation fee:** None

**Judging system:** Any judging system may be used provided that it is indicated in detail in the schedule and the show catalogue.

The Comparative judging system may be used, with one judge judging the horses by comparing and ranking them.

If a point system is used, the following system is recommended:

7 topics – 10 points

Each judge gives 1-20 points for the following criteria:

- a) type, b) head & neck, c) body, d) legs, e) movement.

Points for b) head and c) neck must be averaged to give one score for head and neck.

Points for f) walk and g) trot must be averaged to give one score for movement.

Full points are recommended.

**Judges:** Judges must be chosen from the EAHSC A and B list of judges or National judges' list of an ECAHO Member organisation. Those Judges chosen from non-ECAHO Member country must be selected from the judges' panel of a national Arab Horse Organisation.

Any judge who is not on the EAHSC list of judges must produce a signed and validated Contract for judges not listed on ECAHO EAHSC A or B list of judges. (see page 26).

**Disciplinary Committee:** A minimum of one member is required, to be chosen from the EAHSC lists of members of the Disciplinary Committee and being able to speak the local language. If, based on previous years' entries, the show Organizer expects a large number of entries, the number of DCs present must be increased proportionately. E.g. between 50 -100 horses a minimum of 3 DCs, between 100-150 a minimum of 4 DCs. If there are more than two DCs, the majority should be from the EAHSC list of DCs. One member from the EAHSC lists of DC members shall be appointed Chairman.

| Amateur classes are not qualifiers for the World Championship, Title or A Shows.

## Rules for Affiliation of Shows

1. Each show organiser shall make a written application to his National Organisation (Full Member of ECAHO) which has the right to approve or reject the show. **Rules for Conduct of Shows**

1. By participating at a show, show organisers, judges, exhibitors, owners and handlers agree that they will unconditionally submit themselves and the persons assisting and accompanying them to the "Rules for Conduct of Shows" and, as regards veterinary matters and drug misuse, to the relevant ECAHO Veterinary Regulations and ECAHO Rules for Medication Control. The accompanying persons include e.g. trainers or persons representing the show organizer as well as assistants of any of those persons. They will accept the jurisdiction of the Disciplinary Committee (DC), the Standing Disciplinary Committee (SDC) and the ECAHO Appeals Committee (EAC).

The person responsible for the horse is the registered owner or the lessee, but the person who signs the entry form, the handler, and other support personnel including but not limited to grooms and veterinarians may be regarded as additional persons responsible if they are present at the event or have made a relevant decision about the horse. Should the person responsible designate someone to represent them (e.g. a lawyer) any correspondence sent to this representative will be deemed to have been communicated to the person responsible.

The name of every horse must be printed in the show catalogue, as well as the names of sire and dam, (and maternal grandsire if possible), date of birth, colour, the names of the breeder and the owner. c) If two ECAHO affiliated In Hand shows (e.g. a B Int and a C Nat) are held at the same venue on the same or consecutive days, in which some of the same horses will be competing, two separate panels of judges must be invited, one panel for each show. The judges of the second event cannot be present at the showground during any part of the first event.

This restriction does not include ECAHO Sports events, Amateur In Hand classes/shows or non-affiliated events. In these cases, the ECAHO In Hand show(s) must be judged before the others.

7. a) No member of the show organising team may judge, or officiate as member of the Disciplinary Committee.

If a judge, DC member or ring master cancels the invitation after the travel arrangements have been made, he will pay all the costs arising out of this booking.
10. The following minimum daily fees are mandatory and to be paid by the organizer to judges, DC members and ring masters per working day regardless of the actual hours: B International, C International, European and Specific Origin shows: € 100,- / A shows: € 150,- / Title shows: € 200,-.  
For all other shows a daily fee is optional and at the discretion of the show-organization. Material gifts are always allowed, regardless of the category of the show.

### **Judges, DC Members, Ringmasters and respective probationers, hereafter referred to as 'Official(s)'**

11. Officials invited to officiate at ECAHO affiliated shows agree to do so with integrity and honesty and to carry out their duties solely with the objects of ECAHO and the welfare of the horses in mind.
12. a) Officials appointed at a show will not knowingly officiate in a class in which horses are entered concerning which there may be an actual or apparent conflict of interest. No official appointed at the show may exhibit, ride, drive or handle an entered horse or pursue any other activity not consistent with his duties at the show in which he is officiating.  
b) Exhibitors will declare on the entry form any actual or apparent conflict of interest with any of the officials invited for the show. Any exhibitor not declaring an existing conflict of interest, of which he is aware, will forfeit all entry fees and will be prevented from showing the horse.  
c) Organizers will not accept any entries for which any actual or apparent conflict of interest with one of the appointed officials has been indicated by the exhibitor, unless a reserve official is available.

## Rules for Conduct of Shows

- d) Officials will not visit exhibitors' premises or accept exhibitors' hospitality during a 30 day period before or during the show concerned.
- e) Officials will not accept benefits or gifts that could bring into question the Official's integrity or honesty.
- f) Any actual or apparent conflict of interest that arises before or during the show shall be immediately reported to the DC. The DC shall consult all parties involved and use all sources to their disposal to decide as necessary. The DC must include all information in their report and forward to ECAHO after the show. At no time may the organizer take any decision that is in conflict with the jurisdiction of ECAHO and its' rules and regulations.
- g) Any actual or apparent conflict of interest that arises after the show shall be reported immediately to ECAHO for consideration by the SDC.

13. a) An actual or apparent conflict of interest may occur if a horse is exhibited that:

- Is being trained or handled by a member of the official's family
- has been bought or sold by an official either as owner or agent
- has been bred or is owned in whole or part by the official or by a member of the official's family, or business partner in an Arab horse business venture
- has been leased by the official, at any time
- has been bred by or is the property of a breeding organization in which the official is or was an employee
- has been regularly trained, examined or treated by the official in a professional capacity
- is the subject of an on-going negotiation to buy or lease, or a provisional purchase condition to which the official is a party.

An actual or apparent conflict of interest may further occur, amongst others, if the Official, irrespective of the payment or receipt of a remuneration or any other consideration, during the period of one year (365 days) before a show at which the Official officiates:

- has entered into any business relationship with an exhibitor at that show,
- Has received, whilst being involved with the organization of any show or event, sponsorship from an exhibitor at that show or event.

This does not apply to those events organized on behalf of a National Association which is a Full Member of ECAHO, as long as the Official has no financial benefit from the sponsorship.

- has performed consulting for an exhibitor at that show,
- has purchased or sold a horse from or to an exhibitor at that show,
- was involved with the breeding of a horse of an exhibitor at that show,
- was involved in similar activities with an exhibitor at that show.
- is employed in any way by the Show organizers.

In case of doubt, the DC's decision will prevail.

Any Official must decline to officiate if they consider themselves to have a conflict of interests concerning a horse, its' handler or its' owner(s).

13. b) If, during the show a conflict of interests of which the exhibitor was un-aware becomes apparent, the following options are available:

- i) if the official with the conflict of interests is a judge or probationer judge,
  - the judge or probationer judge will suspend his/her duties for the duration of the class and the championship where the conflict exists
  - a published reserve judge or another judge from the judges' panel may be used for the class and the championship where the conflict exists
  - if the above mentioned (i) is not applicable and if no reserve judge is available or there are no more members of the judges' panel, the total points in the class will be multiplied by the factor of planned number of judges divided by the actual number of judges, to calculate a comparable score in case of ties in championships

## Rules for Conduct of Shows

ii) if the official with the conflict of interests is a DC member, this DC member will not check the horses concerned either in the stables before the show or in the collecting ring or issue any yellow or red cards for the duration of the class and respective championship.

iii) if the official with the conflict of interests is a Ringmaster, this Ringmaster may be replaced for the duration of the conflict by:

- a reserve Ringmaster
- a member of the acting DC

All aspects concerning actual conflicts of interests and their consequences will be recorded in the DC report.

14. All officials will receive a list of exhibitors and breeders from the organizer immediately after the official closing date of entries. Any later entries will be communicated without delay.

Judges will not consult the show catalogue before or during the show at which they are judging.

15. In the show ring, all communication between judges and handlers prior to the presentation of prizes will be through the Ringmaster.

16. Judges may withhold any award if in their opinion the exhibit does not merit such an award.

17. The judge, or if more than one, the panel of judges may request that the ring master show a handler a yellow or red card if they consider that there is abuse to a horse or that there is misconduct.

### Conduct of Halter Classes

18. All handlers at A and Title Shows must be in possession of a valid handlers permit which they must present to the DC in order to participate in the Show.

19. Handlers will be neatly dressed. They may wear any costume normally worn in their country of origin. Handlers will not wear clothes carrying any form of advertising which discloses the connection of the horse they are handling.

20. The judge(s) may request that the ringmaster order any horse that is not under control and/or displays dangerous behaviours to be withdrawn and the horse shall be disqualified.

21. The judge(s) may request that the ringmaster ask a handler to open a horse's mouth or pick up its feet for inspection.

22. Exhibits are to be judged standing, walking and trotting. No more than three circles will be permitted in each individual presentation. Handlers who do not comply with the ring master's instructions regarding the above may be given a Yellow/Red card by the ring master.

#### c) Procedure in the Collecting ring

No more than 2 persons are allowed to assist the handler in the collecting ring. These persons as well as the handler should wear the number of the horse, to identify them clearly. Anybody not wearing a number relevant to a horse in the respective class will not have access to the collecting ring. The show organizer must provide three sets of numbers per horse to all exhibitors.

**European Arab Horse Show Commission**  
**Blue Book 2023**  
**Rules for Conduct of Shows**

Only one person is permitted to assist the handler during the warm-up, using only a standard schooling whip with an attachment of plastic of max. 10 cm.

All other support or aggravation from inside or outside the collecting ring is prohibited.

Horses may be warmed up in the collecting ring, but to avoid injuries and overstressing the horses, they may only be lunged in big circles at a modest pace. Any chasing, hunting, or scaring of the horse is forbidden.

- b) Any horse becoming loose in the show ring will immediately continue to be shown and is subject to a penalty (of a fine not exceeding 100€) at the discretion of the DC. Should the horse become loose a second time it will be disqualified.
26. All horses that are awarded a ranking in their respective class must take part in the Class prize giving ceremony. Unless the DC decides otherwise in which case any representative of the horse may accept the medal without the horse being present. Absence of the horse or any representative to appear in the prize giving ceremony will disqualify the horse from the show, with its record of score in the Class being deleted and it will be sanctioned according to Rules for Disciplinary Committees article 16.

In the event of a disqualification, all horses placed behind the disqualified horse will move up one place in the Class ranking.

During the prizegiving ceremony, the horse may only be on the lead of the designated handler or substitute deemed capable at the discretion of the ringmaster/DC.

**Soundness**

27. Exhibits that appear to be lame may be assessed and placed by the judges. Judges may exclude any horse so lame that assessment will inflict pain.

**Rules for adapting score sheets**

28. Judges may record their scores using paper score sheets or electronic devices. If paper score sheets are used, organizers are expected to provide scoresheets with pre-printed score-options which judges can circle to indicate their scores. Judges are not allowed to write scores.

Electronic devices, for example tablet systems, may be used but can be subject to audit by ECAHO appointed experts to confirm proper functionality and logging at any time.

Regardless of the scoring system used, once the judge has submitted a score, either by handing off a scoresheet or by sending the data from an electronic device, the Judge cannot amend or change the score. Only technical omissions such as missing scores and/or missing signatures may be corrected upon request of the scorekeeper.

Artificial methods of dilating the eyes or affecting the natural action of the horse or otherwise influencing its action or behaviour by oxygenating the bloodstream or by the use of weights or artificially weighted shoes, or by electrical or chemical treatment of any kind at any time before or during exhibition are forbidden.  
Burns, cuts or other marks on the body of any exhibit in such places or positions as to indicate that prohibited methods have been used will be regarded as full and adequate grounds for exclusion of any exhibit from competition, at the discretion of the DC with veterinary advice.
31. a) In halter classes horses may be fully or partly body-clipped, subject to eyelashes being left uncut, hair inside the ears left unshaved and tactile hair left intact around the nose, muzzle and the eyes. Horses not fulfilling these criteria will not be allowed to participate. "Balding" is not encouraged.

Abusive shanking is not permitted.

34. The above actions will be sanctioned.

**Enforcement**

35. **Verbal warnings:** DC members, ringmasters, stewards or show officials may issue verbal warnings. These are not recorded in the DC report.
36. **Yellow and red cards** may be issued by DCs and Ringmaster in the collecting ring and the main ring. They are issued to a handler and are a visible and public indication of an offence having been committed. The date and offence will be recorded in the DC report and must be made public by announcement at the show and/or on the ECAHO website and/or other usual means of communication of ECAHO.
37. **A yellow Card** may be issued if there is a further offence after a warning or it may be issued without such warning.

The offender will then be banned from handling any horses for the rest of the show in which he receives the red card. The horse being shown by a handler when he receives a red card may be shown by another handler at the end of the class. In the event of a serious offence involving mistreatment or dangerous behaviour, DCs may issue a red card without prior warning.
39. a) Any handler disobeying the instructions of any DC member, judge or the ringmaster will be sanctioned. Such sanction can be visibly and publicly indicated with yellow and red cards.

c) Any handler who accumulates five yellow cards at different shows during the calendar year will receive a fine of 1000€  
In both cases the fine must be received in full by ECAHO before handler can present horses again in any ECAHO affiliated show.

### Veterinary Matters

40. Horses with apparent clinical signs of a disease may not participate at the show at the discretion of the DC Veterinarian. If the DC Veterinarian diagnoses apparent clinical signs of a contagious disease, the horse must be immediately put into quarantine and may not participate at the show.
41. Vaccination regulations for shows will require 12 months intervals normally, or shorter where local/national authorities mandate it. Such shorter intervals to be shown on the entry form (see Addendum – Equine Influenza Vaccination page 59).
42. All Veterinary treatment necessary at the show ground must be carried out according to ECAHO Veterinary regulations. The person responsible for the horse will ask the vet who treats the horse to complete a treatment form and present it to the DC-vet at the show. Any treatment given to a horse immediately prior to a show should be recorded on a treatment form by the treating vet and presented to the DC upon arrival at the show.
43. a) The administration of any substance not a normal nutrient (including irritants applied to the skin or mucous membranes or mydriatic drugs in the eyes), whether intentionally or unintentionally which may affect the performance, temperament or soundness of an exhibit is forbidden.  
b) The DC may order chemical tests on any exhibit.  
c) Judges may request the DC to test any horse.  
(See the section on “Medication Control” page 47).

### Complaints

44. A show organiser, appointed judge, ring master, exhibitor, owner or handler of a horse entered at the show may lodge a complaint alleging infringement of the rules of the EAHSC, contained in the “Blue Book”. Any complaint, except concerning a complaint about a judge or any other official including show organisers, is to be made in writing before the end of the show. ## Rules for Ties and Championships

### a) Standard ECAHO method

1. Championships will be judged as follows:
  - a) The horses placed first in their class line up ordered according to age. The horses placed second in their class line up behind them in the same order.
  - b) The first placed horses will be judged individually, standing and trotting.
  - c) The Champion Gold medal winner is selected from amongst the horses placed first in their class by individual written votes from each judge. The horse with the highest number of votes will be Champion Gold medal winner. In the event of a tie, the horse that received the highest number of points in its class will be declared Champion Gold medal winner. In the event of a further tie, the "Rules for Ties in Qualifying Places" will apply.

The judges will not discuss the horses.

2. The Silver medal winner will be selected in the same way as the Gold medallist from all other horses that have qualified for the Championship.
3. The Bronze medal winner will be selected using the same system used to select the Silver medallist.

The votes of the judges in the Championships will be announced and will be published at the show office immediately after the judging has finished.

4. A fourth horse will be selected, which will become the Bronze medal winner should one of the three medal winners be disqualified. If this exhibit is not apparent from the voting papers, the judges will be asked to nominate one. This horse will not be announced. In the event that two or more of the medal winners are disqualified, no further substitution will be made.
5. If a horse placed first in its class is not able to take part in the Championship, the horse placed second in the class will move forward and be judged with the other horses placed first. Should a horse placed first be sent out of the ring by the judges or taken out by the handler for any reason, it will be deemed to have taken part in the championship and, therefore, the second placed horse will not be judged with the other first placed horses. Substitutions for absent first-placed or second-placed horses by third-placed or lower-ranked horses will not be permitted.
6. All horses that qualify for their respective Championships must take part in the Championship. Unless a certificate from the DC veterinarian is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year as from the date of the show. In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the class but third or lower placed horses will not be entitled to enter the Championship.
7. All horses that are awarded a medal in their respective Championships must take part in the Championship prizegiving ceremony.

Unless the DC decides otherwise in which case any representative of the horse may accept the medal without the horse being present, absence of the horse or any representative to appear in the prizegiving ceremony will disqualify the horse from the show with its record of score in the class and championship placing being deleted and the horse being disqualified from the showing for the period of one year from the date of the show. In the event of a disqualification, all horses placed behind the disqualified horse will move up one place in the Championship.

During the prizegiving ceremony, the horse may only be on the lead of the designated handler or substitute deemed capable at the discretion of the ringmaster/DC.

Only sampling veterinarians may collect the samples and they may not act in any other capacity at a show in which they have been appointed sampling veterinarians.
4. The organizer will provide fresh bedding and a clean box for each horse to be tested. These boxes will be marked as sampling boxes and will be used exclusively for this purpose. They should be located in a quiet environment with no public access.
5. **All samples taken at a show must only be sent to the ECAHO approved testing laboratory which is the Laboratoire des Courses Hippiques, 15 rue de Paradis, ZAC Pompidou, 91370 Verrieres le Buisson, France.**

When a notification is received that a horse tested positive for prohibited substances, the Executive Secretary will forward the test results to the SDC, together with the details of horse and show concerned and will ask the show organizer for copies of the entry forms to be sent to the SDC. The SDC will consider all evidence available.
12. a) When a horse has been tested positive for prohibited substances, the person responsible will be informed and be offered the option of having the B sample tested. The request for testing the B sample, together with the election of the laboratory to be used for the analysis must be directed to the Executive Secretary in writing within 30 days after the receipt of notification is confirmed. Should ECAHO not receive the full amount of the estimated costs within the time stipulated these proceedings will be terminated. The request for a hearing will have no suspensory effect on any penalty imposed by the SDC.
  - c) The SDC may provisionally suspend a horse from participating in any show prior to the opportunity of a full hearing if that horse was tested positive for prohibited substances (A sample or B sample). If a provisional suspension is imposed by the SDC the person responsible may submit to the SDC a short statement in writing in order to show cause why the provisional suspension should be lifted. The provisional suspension shall be maintained unless the person responsible establishes to the satisfaction of the SDC that exceptional circumstances exist that make it clearly unfair, taking into account all of the circumstances of the case, to impose a provisional suspension prior to the hearing.

Should a second test (B sample) be requested by the person responsible and found positive, the disqualification shall become effective after this second result has been communicated to the person responsible or his representative.

The precise schedule of the day's classes must be marked on a large signboard at the entrance to the paddock.

Stewards must control both the entries and the exits to the paddock and the ring according to the proceedings of the show.

## VI. Addendum – Additional Judging system

### VI. ADDENDUM

#### Judging system with highest and lowest marks excluded

##### Judging system with the highest and lowest mark excluded

The Show organizer is allowed to use the judging system where the highest and the lowest mark for each horse is excluded and the total score is counted from the remaining marks.

The conditions to use this Judging system:

- at least 7 Judges must be in the ring,
- the system must be clearly described in the schedule
- the schedule must be approved by ECAHO (schedule to be sent to ECAHO Office at latest 3 months prior to the date of the show)

**Before the start of the show**, if the Show organizer sees that there will be insufficient judges present to allow for 7 judges in the ring for every class (owing to accident, illness, Conflict of interest or problems with the travel arrangements of the Judge(s)), then this method cannot be used.

**Once the Show has started** if a judge is unable to continue (owing to an unforeseen Conflict of Interest, accident, or illness) leaving less than 7 Judges in any class, then the average of the Total score must be used in all classes going forward to the championships.
